David Jablow, Exec. Vice President
Brill Hygienic Products
Inc. 601 North Congress Ave.
Delray Beach, Florida 33445

Dear David,

I want to let you know that after almost twenty years that we have had your Brill toilet seats in our ladies' restrooms we are still being complimented on a regular basis from our patrons.

They positively love your product, and are grateful that Mohegan Sun cares enough about them to have your seats in all of our ladies' restrooms. Currently, we have 750 Brill seats and with our new hotel expansion there will be more installed.

Because of the seats design, our cleaning staff finds them very easy to keep clean and maintain. The customer service that you provide us with is outstanding. Having the seats at our property is a win-win situation.

Thank you again for providing our patrons and employees with an outstanding product. We look forward to many years of working together.

Sincerely Yours,
